Mercer County Capital Republican Club - Mercer County Republican Committee - 957 Route 33, Suite 322, Hamilton Square 08690 - 609.838-1938

### We want your help...

..... to help elect Republicans

The Mercer County Capital Republican Club is dedicated to helping qualified candidates finance their campaigns. These candidates cannot get elected by themselves. They need your financial support. Every dollar we raise goes to the Mercer County Republican Committee and used to build the party in Mercer County, help elected Republican candidates to public office and get out the vote on Election Day.

### We Need Your Support...

.....to help fund their campaigns

Republican candidates are leaders in the fight to make Mercer County the best place to live, work and raise a family. But, they cannot get elected without the financial support that only you can provide. It is a simple fact that few candidates can finance their own campaigns. If we don't help them, who will?

### You Owe It To Yourself..

.....to insure they get elected

Our candidates are people like you. The issues that concern you concern them. When you join the Mercer County Capital Republican Club, you are joining an organization that is dedicated to helping elect Republican candidates, so they can address the issues that matter to you most. If we want Republicans to represent us, shouldn't we be willing to help Republicans get elected?

Membership in the Mercer County Capital Republican Club is one of the easiest and most important ways to show your support for the Republican Party. As a member you have an opportunity meet informally with both political and governmental leaders, while helping to build the Republican Party throughout Mercer County. And, you will save money, because membership entitle you to attend, at no additional cost, the annual Mercer County Republican Gala, as well as two other events sponsored by the Club during the year.
